When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Grievance 83

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

**ORDER OF THE DAY
SLAVERY IN CALIFORNIA**

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Communist California state in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

Slavery is alive and well in the California. Commonly known a human trafficking it is a multi-billion-dollar industry worldwide and California is leading the United States in the slave trade industry.

The California communist state legislature and the socialist governor are aiding and abetting an ever increasing level of funding for the illegal importation of slaves across the United States border with Mexico. Teaming up alongside criminal cartels non-profits, NGOs and religious organizations the California state government has become *the* central figure in the world's largest slave trade ever seen in human history.

In 2017 the estimated amount of money the state of California provided to illegal foreign nationals invading the southern border exceeded \$27 billion. Estimates for 2019 are upwards of \$31 billion.

What is not well known is the victimization of the illegal immigrants by the slave traders who have bought and are then selling their victims to non-profits, NGOs, church organizations or the highest bidders across the border from Mexico into California. Awaiting the "slaves" is a hellish fate of sex trafficking, indentured servitude, broken families, poverty, exploitive foster care systems, grooming, prostitution and death.

In an article from Fortune Magazine April 14, 2019:

"Nicole Bell, who worked as a prostitute after being trafficked as a teen. "We're looking at people in poverty, people of color, people coming out of the foster care system."

"We look at prostitution and trafficking as two different things, but most people in prostitution have experienced trafficking in some form," Bell said. "Most were brought into this before they were old enough to consent to have sex—never mind to being sold for sex."

Human trafficking is estimated to bring in global profits of about \$150 billion a year—\$99 billion from sexual exploitation, according to the International Labor Organization.

“This is not only a dominant issue, it’s an epidemic issue,” Cindy McCain, who chairs the McCain Institute’s Human Trafficking Advisory Council said. “It’s also something that is hiding in plain sight. It’s everywhere—it’s absolutely everywhere.”

“They are really groomed.....”

The reality check for the California communist state legislature and the socialist governor is that the level of ever increasing violence in the state is of their own design. They legislate new laws that make legally abiding citizens into felons, force oppressive regulations and change the California constitution to encourage lawlessness while pandering to criminal cartels. .

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.
