“Whenever any Form of Government becomes destructive, it is the Right of the People to alter or to abolish it, and to institute new Government...”

*“...when a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **RIGHT**, it is their **DUTY**, to throw off such Government, and to provide new Guards for their future security.*

“The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.”

CONSTITUTIONAL DEFAULT NEWSOM INDICTMENTS

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America, all caused by a government of and for a mono-party system lead by a tyrannical, pusillanimous dictator who openly defies federal law.

CALIFORNIA STATE VIOLATES:

But Congress may by a vote of two-thirds of each House, remove such disability.

NEWSOM INDICTMENTS TREASON COUNT 10

COUNT 10

13TH

AMENDMENT SLAVERY

It is evident over the last 3 years since the most corrupt Presidential Election in American history of 2020 that the coordinated design for the destruction of the United States has come from Joe Biden and Gavin Newsom who have both spearheaded the effort to trample on and destroy the United States Constitution.

Nothing is more glaring to the American Citizens that both Joe Biden and Gavin Newsom have complete contempt for the rule of Constitutional Law than to witness the duality with which they are both openly violating Article IV, Section 4 and its three guarantees of a *republican form of government, keeping all Americans free from invasion and that of domestic violence. It is clear both are committing treason.*

The three most assured aspects of our Constitution is the guarantee that all three elements of Article IV, Section 4 will be adhered to by all **Compact** members of the Union of States. Like a three legged stool, to remove one leg, the stool itself becomes destabilized and ultimately useless. Likewise if one state fails to provide anyone of the three guarantees then the Union of States becomes less stable. If anyone state fails to provide all three elements of Article IV, Section 4 it is in default of its responsibilities to its Citizens to Constitutionally govern.

The Federal government under Biden and the State government of California under Newsom both have removed the legs out from under Article IV, Section 4 and thus destabilized the Union of States we call the United States of America.

Our “republican form” of government vanishes when corrupt election systems destroy our God given rights to self govern. So it is with “invasion” when the citizens have no authority to control who enters the county invaders take over our land. Then “domestic violence” follows and becomes the new law of the land.

Only once in our American history have we witnessed the collapse of all three elements of Article IV, Section 4 and that was the Civil War of 1861-1862. Now on the eve of our Nation’s second Civil War comes mankind’s most evil institution the same evil institution that brought us the first civil war **Slavery**.

Due to the lack of Constitutional Governance slavery has found a home in California. Encouraged and supported by Gavin Newsom and Joe Biden slavery in all its variants flourishes. The most evil of slave evil is child sex trafficking where babies to teen children are bought and sold for sexual pleasure or organ transplant in China. The later are slaughtered and their organs “harvested”. Gavin Newsom and Joe Biden’s evil is ours now.

The governments of the United States and California, the current socialist *president* of the United States *governor/dictator* and mono-party system, along with local officials, are following a coordinated design with the intent to actively engage in “**Acts of Insurrection**” against the United States Constitution. This is Treason.

republican form of government

Biden and Newsom both were placed into their respective positions by numerous fraudulent elections.

Biden and Newsom both preside as dictators of all three branches of their respective governments. The government branches long succumbed to the fraudulent elections and the treasonous bureaucratic state that now both rule what are known as a *democracies*.

keeping all Americans free from invasion and that of domestic violence

Biden and Newsom both openly endorse and use the machinery of government to support the invasion of the United States and California destruction of lawful behavior by promoting domestic violence. In a recent letter to Joe Biden from Texas Governor Greg Abbott who wrote, “*President Biden and his Administration have left Americans and our country completely vulnerable to unprecedented illegal immigration pouring across the Southern border. Instead of upholding the rule of law and securing the border, the Biden Administration has attacked and sued Texas for stepping up to protect American citizens from historic levels of illegal immigrants, deadly drugs like fentanyl, and terrorists entering our country.*”

The Governor Pro Tempore from New California State Robert Paul Preston in a letter of support for Governor Abbott joined with 25 other state governors by stating:

“New California State stands in solidarity with Governor, Greg Abbott, and the Citizens of Texas in utilizing every tool and strategy, including razor wire fences, to secure the border.”

ACTS OF INSURRECTION

“The United States government, the Biden Executive Administration and mono-party system, along with state and local officials, are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the United States Constitution and its Citizens.

ACTS OF SECESSION

*The United States government, in conjunction with the Biden Executive Administration, has usurped power, has actively engaged in “Acts of Secession” and has created a reign of terror on United States Citizens living in the United States of America, with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom.**”*

Today California is in a state of free fall at all levels. This free fall has been orchestrated over the last 170 years by socialist and communist and we’re now nearing the end of their socialist/communist plan that clearly demonstrates a design to reduce United States Citizens living in California under absolute Despotism. All their plans have been in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

Let it be know to all the world New California State and the State of California are not the properties, not the administrative state, not the province of any theocratic ruler, nor any monarch, nor foreign entity or government but are *States* in the United States of America.

We, the citizens of the State of New California, and the sovereign Counties that lie within, united by our United States Constitution declare that this newly formed and sovereign State and “this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth.”

Let it be known New California State will be brought into the Union of States as the 51st State with a *republican* form of government.

Gavin Newsom has enabled fraudulent election systems and has once again demonstrated why there is *no viable government in California* under his watch.

The Newsom Democracy has Devolved into a Dictatorship and thus Seceded from the People of California.

An unconstitutional *administrative state* now exists in California, in direct violation of the September 9, 1850, *Compact* with the United States of America. The state of California no longer functions as a *republican* form of government, no longer provides freedom from invasion and domestic violence.

ACTS OF INSURRECTION

The government of California, the current socialist governor/dictator and mono-party system, along with local officials, are following a coordinated design with the intent to actively engage in “Acts of Insurrection” against the United States Constitution.

ACTS OF SECESSION

The government of California, in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power, has actively engaged in “Acts of Secession” and has created a reign of terror on United States Citizens living in California, with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

ABDICATION OF AUTHORITY

Betrayal by the sitting **pusillanimous**, socialist governor/dictator of California, the mono-party legislature and local elected officials is evidence of “Abdication of their Responsibilities of Authority and Sovereignty” over the Citizens of the United States living in California State.

ACTIONS

A reorganized, restorative government of California, consistent with the *Compact of 1850*, with the Congress of the United States, has been established, which is republican in form of government with an executive branch, judicial branch and a bi-cameral legislative branch.

This concludes these proceedings.

New California State is a new state in development forming from the State of California. New California State is exercising its God-given Rights as declared in the 1776 United States Declaration of Independence and as ratified in the 1789 United States Constitution under Article IV Sections 3 & 4.
