

State of New California

NOTICE

TO ALL CALIFORNIANS!

Chapter II

Grievance 4

May 19, 2020

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of

January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right, it is their Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

Fourth Amendment of the United States Constitution states:

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

The Counties of New California State brought forward 95 Chapter I Grievances between January 2018 and November 2019. On April 28, 2020 New California State will issue 95 additional Chapter II Grievances to be announced in public on Tuesdays at 11:00 am.

Chapter II

Grievance 4

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

Fourth Amendment of the United States Constitution

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

ORDER OF THE DAY

THE TYRANT DICTATOR

THE CRUSH OF LIBERTY

The citizens of California, now deprived of their liberty, their livelihoods, and even their freedom of religion guaranteed by the first amendment, are demanding answers to questions surrounding financial malfeasance by the governor of California and the entire political party apparatus that has grown up around the various government bureaucracies that comprise California's mono-party system.

Just like former dictatorial governments of Germany in the 1930's and the Soviet Union, the one-party system provides no accountability to the citizens. Amidst reports of commingling of designated funds, financial fraud, crony capitalism, disaster capitalism, misallocation of capital, "cooking the books", sweetheart deals with hostile foreign governments, and a financial and political dynasty and system of dynasties that have completely subverted the government of the people, by the people, and for the people, the citizens of California are aggrieved to the point of being disaffected from their own country.

It is truthfully stated in California, we possess fewer rights than other Americans. For this, and other grievances, we demand remedy, discovery of the facts, prosecution of the guilty, and we do also petition the Federal Government in Washington D.C. for the basic protections afforded to all U.S. citizens, and specifically those articulated in the First and Fourth Amendments of the Bill of Rights and the United States Constitution Article IV, Section 4 and Article VI.

The governor's response to the Chinese virus COVID-19, which is now acknowledged to be a bio-weapon that was released either intentionally or unintentionally is more damaging to Californians than the virus itself.

The governor's actions have caused more damage to the citizens, the businesses, and the health care sector than the virus itself. **The economic damage caused by the governor's mismanagement is now greater than the effect on California caused by the Empire of Japan attacking Pearl Harbor 79 years ago.** This period of California's history will go down as that period of time of being under a mono-party dictatorship and a period of **INFAMY** in our nation's history.

The present governor of California has sided with the tyrants that oppressed our ancestors and resisted our Independence. Surely, this governor and his entire administration is **unfit to govern free Americans**. He must be removed from office and punished for crimes after extensive discovery and investigation into any and all further abuses have been accomplished.

The weakened status of Californians, due to the governor's actions, will compromise our national security. While being completely avoidable, the governor has doubled down on his crushing jack boot thug tactics in an effort to coerce the citizens of California into submission.

The true purpose of all government is to promote the welfare and provide for the protection and security of the governed.

The existing State of California Government thus called has not only abused the powers nominally entrusted to it, but, with the *connivance and active aid* of the executive, has usurped and exercised other powers, to the manifest injury of the people, which, if permitted, will inevitably subject them to despotism and tyranny.

According to the Declaration of Independence, "**that to secure these rights**, governments are instituted among men, deriving their just powers from **the consent of the governed.**"

We must now declare an end to the forced illegal curtailment of our constitutional liberties. Henceforth, **we no longer offer emergency consent. We declare our resistance and declare a revolt against the tyrant.**

Today California is in a state of free fall at all levels. This free fall has been orchestrated over the last 70 years by socialist and communist and we're now nearing the end of their socialist/communist plan that clearly demonstrates a design to reduce United States Citizens living in California under absolute Despotism. All their plans have been in direct violation of both Article IV, Section 4, Article VI of the United States Constitution and the First and Fourth Amendments.

There is one hope in a new constitution and new economic future that the State of New California will provide.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 or the *Emergency Economic Powers Act* to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
