October 1, 2019

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

State of New California

Grievance 88

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

ORDER OF THE DAY

RECALL

Article II of the California Constitution, approved by California voters in 1911, allows people to recall and remove elected officials and justices of the State Supreme Court from office. Currently in California there are three recall efforts; Senator Richard Pan, 6th Senate District, and 2 for Governor Gavin Newsom according to the California Secretary of State's office.

In the case of Senator Richard Pan from the 6th State Senate's District in Yolo and Sacramento counties. Supporters of the Pan recall effort have until March 18, 2020 to have their signatures verified by election officials.

In the first case against the California governor supporters have until February 13, 2020 and second supporters have until March, 5, 2020 gather the required signatures. Both efforts must gather 1,495,709 valid signatures or 12% of the votes cast in the last election for governor.

Since 1913, there have been 165 recall attempts of state elected officials in California. Nine efforts collected enough signatures to qualify for the ballot and of those, the elected official was recalled in five instances. In 2003 the California governor was recalled.

Its clear the people of California are fed up with those who are turning the state into a communist bastion in the United States. The real question is will a recall of the governor of the state stop the fast progression of the communist take over? The answer is NO it will NOT.

Most people think that to decapitate the monster will lead to a state governance system that will be normal. While the recall effort is a sense of the people's frustration and a statement against the mono party system totalitarian dictatorship they sense is in their future, NO ONE should be fooled by the recall effort. California is a multi-headed monster that requires all heads to be decapitated not just one.

The only real answer to stop the communist take over of California is the formation of new state under Article IV, Section 3 of the United States constitution.

California is a mono-party political machine typical of any totalitarian regimes where all political parties in have failed the people by deliberately destroying the Constitutional design our Founding Fathers created to insure a republican form of government.

California has NO political party system and this like all other elements of the governance system is in complete breakdown. The end result is a broken failed state with no future and no hope to return to the fundamentals of a republican form of government.

There is one hope and that is a new constitution that the State of New California will provide to those in New California State.

California's mono-party political machine, its socialist Governor, along with state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a pure totalitarian communist California state in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

The California communist state legislature and the socialist governor legislate new laws that turn legally abiding citizens into felons, force oppressive regulations and change the California constitution to encourage lawlessness while pandering to criminal cartels.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings. *newcaliforniastate.com* (877) 828 2753
