Grievance 87

September 24, 2019

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

The Counties of New California bring forward 95 Grievances to be announced in public on Tuesday at 11:00 am.

State of New California

Grievance 87

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

ORDER OF THE DAY

DESTROY POLITICAL PARTIES

The **First Party System** is a model of American politics used to create a party system between 1792 and 1824. The Founding Fathers knew that in order to have a republican form of government differing opinions needed to be recognized. The Federalist Party, created by Alexander Hamilton, and the rival Jeffersonian Democratic-Republican Party, formed by Thomas Jefferson and James Madison, which was called at the time the Republican Party were established. These parties were the forerunners of our modern party system which gives us the God given Right in Article IV, Section 4 of a republican form of government. The founding fathers understood that to destroy the republican form of government a nation or state would fall into tyranny. As insurance the Founding Fathers gave us Article VI the supremacy clause making the U.S. Constitution the “Supreme Law of the Land”.

But California’s mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, have colluded to create a Communist California state in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

A sampling of the disarray in the California Republican Party was shown in a story written in a recent article by Steve Frank:

“Instead of having volunteers lead the Trump campaign in California, all volunteers and the strategic effort will be run through the California Republican Party. No volunteers will be in charge, just staffers and the CRP Chair

The upside is that everything will be run through one source and coordination between the volunteers, the counties and Trump supporters will go through one source.

“The downside is that this eliminates Democrats and Decline to State voters from helping the President in California—since they either left the Party or did not join it because they did not want to be a part of it. Then you have the numerous, about half of the GOP’ers who have no trust in the CRP and its leadership having the best interests of conservatives at heart (i.e. at the recent convention conservatives had a motion on the floor, it was defeated—and then the Chair said, “you lost another one.”)”

The mono-party political machine is typical of what a totalitarian regime would require to control a population rather than to recognize differing political opinions in order to reach compromise.

Both political parties in California have failed their respective parties by deliberately working to destroy the “party system” our Founding Fathers designed to insure a republican form of government. California has NO political party system and this like all other elements of the governance system is in complete breakdown. The end result is a broken failed state with no political parties, no future and no hope to return to the fundamentals of a republican form of government.

There is one hope and that is a new constitution that the State of New California will provide to those in New California State.

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Pure Totalitarian Communist California state in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

The California communist state legislature and the socialist governor legislate new laws that turn legally abiding citizens into felons, force oppressive regulations and change the California constitution to encourage lawlessness while pandering to criminal cartels.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings. *newcaliforniastate.com* (877) 828 2753
