NOTICE

TO ALL CALIFORNIANS!

Grievance 16

May 8, 2018

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Article IV Section 3 United States Constitution states:

New States may be admitted by the Congress into this Union; but no new States shall be formed or erected within the [Jurisdiction](#) of any other State; nor any State be formed by the Junction of two or more States, or parts of States, without the Consent of the Legislatures of the States concerned as well as of the Congress.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States”.

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

So it is the history of the past and present Governor and Government of California who have a history of repeated injuries and usurpations, all having in direct object the establishment of a Tyranny over the Counties of New California and the State of California.

Whenever any Form of Government becomes destructive of these ends, it is the Right of the People to seek a constitutional remedy to the abuse of powers”.

Declaration of Grievance

First Amendment of the United States Constitution states:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances

Therefore the Counties of New California bring forward 40 Grievances against the government of California to be announced in public on Tuesday at 11:00 am each week for 40 weeks.

State of New California

Grievance 16

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America. All caused by a government of and for a mono party system lead by a tyrannical dictator.

Declaration of Grievance

Declaration of Grievance

United States Constitution Article IV Section 4 States in part:

The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.

Failure of the government of California to provide a republican form of government

California today is governed by a tyrannical government which is destroying the vestiges of a republican government by a 'mono' party system lead by a dictator and one 'group' who controls the California government.

A mono party form of governance has been deliberately fashioned to destroy ‘representative’ governance through illegal district designs, false illegal elections, and corrupt election procedures and actions.

A governor was installed for two additional terms of office through the use of a corrupt system which altered the California Constitution by way of the 1990 Proposition 140 Ballot initiative which stated in part “*Persons elected or appointed after November 5, 1990, holding offices of Governor,.....*” This clause in the proposition is evidence of a design which seemingly gave permission for only one candidate to have 2 additional terms in office as governor at a future date.

In 2010 the current governor of California was elected to a third term of office. In 2010 the passage of Proposition 14 known as the “Top Two” primary system which amended [Section 5](#) and Section 6 of [Article II of the California Constitution](#) was also passed. Proposition 14 effectively ended republican governance in California by acting as an exclusionary device to keep candidates off the general election ballot thus making them less relevant and “rigging” the system in a way that deceives voters.

The current California governor working in collusion with the mono party system, legislature and local officials added yet another device to destroy republican governance by gerrymandering electoral districts and drawing them to give an overwhelming advantage to one only one party. This gerrymandering assures the eventual winner is chosen in the primary thus making the general election irrelevant and assures the continuation of a mono party system of tyranny over the people of California.

Today no political party is relevant in California except a ruling class of political elites of who rule with impunity over the people California with designs to destroy our republican form of government guaranteed in United States Constitution Article IV Section 4.

Now the living embodiment of all policies totalitarian the current California governor and the mono party system is encouraging rebellion and sedition through a corrupt election system in an attempt to interfere with, or overthrow the United States of America government and destroy the Constitutional Rights of United States Citizens living in California.

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the California governor, mono party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California.

Acts of Secession

Therefore the California government in conjunction with the state executive, instituted wherever the current governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which gives Us our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting governor of California the mono party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of California.

This concludes these proceedings.
