Chapter II**

Grievance 24

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government Violates the Following: United States Constitution Article IV Section 4

Refer. Sections 2, 3, 4, 5

ORDER OF THE DAY

ARREST THE

SENATE PRESIDENT

While *We*, the People, of the Unified Counties of New California seek the removal of the California state PRESIDENT OF THE SENATE - Toni G. Atkins (born August 1, 1962) is an American politician serving as the 51st and current President pro tempore of the California State Senate since 2018. A member of the Democratic Party, she previously served as the 69th Speaker of the California State Assembly from 2014 to 2016.

Upon her election as Speaker of the State Assembly, she became the third woman and first acknowledged lesbian to be elected to the position, as well as the first lawmaker from San Diego holding the office. She served on the San Diego City Council from 2000 to 2008, including a term as Acting Mayor of San Diego in 2005. She also served as Acting Governor of California for nine hours on July 30, 2014. In 2018, she succeeded Kevin de León as State Senate President pro tempore. This made her the first woman and the first openly LGBT person to lead the California State Senate.

Katy Grimes of the California Globe Reported on March 19, 2020

*“While most of the California public and news media was focused on the coronavirus, the California State Senate worked into the evening Monday and passed [Senate Resolution 86](#) allowing the Senate President Pro Tem Toni Atkins [to assign, remove, and replace](#) any member of a standing Senate committee during an emergency. SR 86 also allows **Senate President Pro Tem Toni Atkins** to authorize one or more members of the committee participate remotely by telephone, teleconference, or other electronic means.*

This means Senators do not have to be in the Capitol or on the Senate floor to vote on legislation.

Atkins said this resolution provides her with “the flexibility to function during the time of crisis,” and “allows the Senate to be more nimble and responsive during emergencies.” Atkins also said allowing Senators to participate remotely “authorizes the public to participate remotely,” but would be used “rarely if ever.”

SR 86 was introduced March 16, 2020, and adopted through a voice vote of the members of the Senate March 16, 2020. There was no vote tally taken to show who supported SR 86, or who opposed it. The resolution was not in print for the required 72-hours for members and the public to review it prior to the vote, and there were no committee hearings on SR 86.

According to an Oct. 8 letter signed by deputy legislative counsel Michael Kerins, ‘a Member of the Legislature serving on a committee may not lawfully cast his or her vote by telephone, rather than by being physically present at a hearing,’” Capitol Weekly reported in 2009. Staffers in the Capitol say the rule still stands, and want to know how the Senate President pro Tem can get around this legal ruling by passing a resolution.

When the California governor used *Emergency Services Act under Government Code Section 8625* due to the corona virus on March 4, 2020 the governor needed an accomplice in the California Senate to shut down all debate among Senators who may challenge the governor’s edicts and unlawful executive orders. He found one in *Senate President Pro Tem Toni Atkins*.

Senate President Pro Tem Toni Atkins is actively participating in the unconstitutional actions of the governor who continues his dictatorial actions.

Law makers in Sacramento have called for "extraordinary session of the state legislature" to consider reopening the economy. **According to numerous sources in the California state capital there will be a 'special' legislative session in the coming weeks to discuss the state’s massive financial crisis and repeal the governor’s *Emergency Services Act*.** The *Senate President Pro Tem* refuses to take action. Why?

Governor Newsom signed an [executive order March 4, 2020](#) known as the *Emergency Services Act under Government Code Section 8625* in response to the Covid-19 pandemic which has crippled the California economy and destroyed the lives of millions of people in California.

As identified by the New California State movement California is in default on filing the necessary federal financial forms that will allow the continuation of over \$97 billion of annual federal grants. The failure of the state to file the necessary documents the federal government requires has triggered a number of investigations both by the federal and state government into the financial accountings of the state and the actions of the governor. “The state is now over \$100 billion short of cash and is no longer solvent”.

The signing of the *Emergency Services Act* has exacerbated the financial crisis and created a dictatorship that consolidates legislative and judicial branches of government under the office of the governor. California is the first one-man rule dictatorship in United States history.

Senate President Pro Tem Toni Atkins to this day is not working to solve the problems facing California. Her inaction is destroying the lives of millions of Californians and destroying the state’s economy. Its clear there are numerous violations of law and the constitutional oath taken by the *Senate President Pro Tem*.

New California State will pursue every means available to remedy the ***Senate President Pro Tem’s*** abuse of power and illegal felonious acts. *We* now demand the California state legislature exercise the limited powers it has at its discretion to repeal the *governor’s* unlimited powers of authority he is utilizing to destroy the state’s economy while furthering his reign of terror upon the United States Citizens living in the state of California.

New California State movement has for over 5 years been utilizing Article IV, Section 3 to form a new state in direct defiance of the California dictator just like the Founding Fathers had planned when they wrote the U.S. Constitution.

The California governor is a ***pusillanimous*** craven dictator whose words and actions are a grave danger to all U.S. Citizens living in California while the state continues to operate outside the authorities of the U.S. Constitution.

For New Californian's its our **GOD** given "***Right it is our Duty***" to protect our Declaration of Independence, our Constitution and our Bill of Rights with all means necessary from a craven dictator. *New Californians will NOT comply.*

We request the **President of the United States** act immediately to remedy these abuses by the establishment of the New California State.

Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in "***Acts of Insurrection***" against the U.S. Constitution.

The **Insurrection Act of 1807** and the ***Emergency Economic Powers Act*** are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

The California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has actively engaged in "***Acts of Secession***" and have created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America to thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of "***Abdication of their Responsibilities of Authority and Sovereignty***" over the Citizens of the United States living in California State.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 or the *Emergency Economic Powers Act* to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
