## Declaration of Grievance

### Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

### **California State Government is in Direct Violation of the Following:**

#### **United States Constitution Article IV Section 4**

#### **Fourth Amendment of the United States Constitution**

*The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.*

# ORDER OF THE DAY

## THE DICTATOR CLAIMS “RIGHT” TO STEAL

### California Governor Claims “Right” to Withhold Federal Grants to Fund State Deficits

New California State announced in **Grievance 9** that the *State of California was in default* for failing to publish a Comprehensive Annual Financial Report and that failure to produce this report is clear evidence of concealing *illegal borrowings of federal grant monies* to fund state budget deficits.

California’s dictator responded to New California State’s **Grievance 9** regarding illegal borrowing of federal grant monies to fund budget deficits by “**claiming the right**” to seize federal grant funds from counties not requiring face masks.

New California State **Grievance 9** issued early on June 23, 2020 highlighted the State of California intending to fund its \$85 billion budget shortfall through June 30, 2021 by accessing “Borrowable Resources” of over \$59.6 billion, including the over \$27 billion in federal health and financial stimulus dollars to address the COVID-19 pandemic.

Later that same day the California dictator told reporters, the State of California has the *sovereign right* to indefinitely hold billions of targeted federal grant monies from counties that are not in full compliance with the “new rules and regulations” in his recent COVID-19 Executive Order.

The governor stated that after doing what he referred to as a “budget deal” with the California Legislature, “*We’re going to attach some considerations and consequences*” for withholding federal funds from non-compliant counties.

New California believes that such action is a violation of law, and if implemented would set a dangerous U.S. Constitutional precedent that a state governor/dictator can withhold spending federal funds without the approval of the legislature during a crisis to fund its own budget deficit needs.

New California State calls on the United States government to immediately take actions to prevent and protect the public safety by assuring that the State of California is not improperly or illegally using federal funds designated for health and financial stimulus as a source of “Borrowing Resources” to fund California’s \$85 billion budget deficits.

***Help is now needed by the U.S. Treasury, Justice Department and the President of the United States to investigate the default of the State of California.***

The California governor is a pusillanimous craven dictator whose words and actions are a grave danger to all U.S. Citizens living in California.

California is a failed state operating outside the authorities of the U.S. Constitution violating Articles IV, Section 4, Article VI and the Fourth Amendment.

For New Californian's its our **GOD** given "*Right it is our Duty*" to protect our Declaration of Independence, our Constitution and our Bill of Rights with all means necessary from a craven dictator.

We request the **President of the United States** act immediately to remedy these abuses by the establishment of the New California State.

## Insurrection

The government of California, the current socialist governor/dictator and mono-party system along with local officials are following a coordinated design with the intent to actively engage in *acts of insurrection* against the U.S. Constitution.

The **Insurrection Act of 1807** and the *Emergency Economic Powers Act* are United States federal laws that govern the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

## Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor/dictator has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## Abdication of Authority

Betrayal by the sitting socialist governor/dictator of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities of authority** and **sovereignty** over the State and Citizens of the United States living in California.

## Prayer

**The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 or the *Emergency Economic Powers Act* to end the tyranny being foisted upon the United States Citizens living in California State.**

**This concludes these proceedings.**
