## **Declaration of Grievance**

### **Statement of Facts**

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

**California State Government is in Direct Violation of the Following:**

#### **United States Constitution Article IV Section 4**

***"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."***

#### **United States Constitution Article VI Section 2**

***This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.***

#### **MASS "LAWLESSNESS" IS NOW THE ORDER OF THE DAY**

California's tyrannical governor the mono-party government along with their associates at the county and city levels are engaging in mass "lawlessness". California is the most lawless and tyrannical government of any state in the Union of States and

denies U.S. Citizens their Constitutional Rights under Article IV, Section 4 and Article VI, Section 2 of the U.S. Constitution.

**Article IV, Section 4** is known as the “Guarantee Clause” of the U.S. Constitution. The State and Federal Governments MUST provide to the Citizens of the United States the three elements of Article IV, Section 4.

**Republican form of government:** California is a failed state and no longer provides to its citizens a representative government. California has a “mono” party system in which there is no bi-cameral legislature lead by a dictator as governor. Failure has not occurred due to external causes, but rather as a result of the runaway tyranny that is the California government. It is evident for all to see that these failures to govern are by a design that evinces to replace our very form of constitutional government with a neo-communist state governed by the tenets of unaccountable and dictatorial globalism.

**Protect each of them against invasion:** California is the national leader if not the world in encouraging and financing the illegal foreign national invasion of the southern border of California. In 2017 California spent \$27 billion on illegal foreign nationals who came into the United States. These illegal foreign nationals were then granted rights and privileges reserved for American Citizens. A security vacuum at the border has been created and is being filled by forces hostile to the United States of America.

**Protection against domestic violence:** The Citizens of California are daily put at risk of their safety, happiness, security and livelihood by the damage the rogue government of California has perpetrated on the territorial integrity of the California and United States border thus threatening the Union of the United States of America.

**Article VI, Section 2** Supremacy Clause is the Article in the U.S. Constitution that binds the Union of States together.

**The supreme Law of the Land:** Without the consent of the governed, the rogue California governor and a collection of rogue mayors in a confederation of rogue “sanctuary” cities have taken it upon themselves to claim and pretend they represent the citizens of California in their rebellion and insurrection against the United States Constitution. The authority they use to resist federal law is an authority that has been usurped from the citizens, who were never consulted, and who never gave the mono party apparatus permission to rebel against the nation we pledge our allegiance and citizenship.

# Insurrection

The government of California, the current governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in *acts of insurrection* against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

## Illegal Acts and Tactics

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the communist California governor, mono-party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of States of America.

## Acts of Secession

Therefore the California communist government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

## Abdication of Authority

Betrayal by the sitting communist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

## Prayer

**The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.**
