

State of New California

NOTICE

TO ALL CALIFORNIANS!

Grievance 95

November 19, 2019

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

*When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their **Right**, it is their **Duty**, to throw off such Government, and to provide new Guards for their future security.*

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

The Counties of New California have brought forward 95 Grievances that have been announced in public on Tuesday at 11:00 am.

NEW CALIFORNIA

State of New California

Grievance 95

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

Declaration of Independence

State of New California

January 15, 2018

We hold these truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, Property and the pursuit of happiness.

To secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed.

When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them they should declare the causes which cause them to separate.

Whensoever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such design that is most likely to effect their Safety and Happiness.

Governments long established should not be changed for light and transient causes; and accordingly all experience has shown mankind is more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed.

However when a long train of abuses and acts to seize and hold the people's power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, *it is their Right, it is their Duty, to throw off such Government*, and to provide new Guards for their future security.

The history of the present Governor and Government of California is a history of repeated injuries and usurpations, all having in direct object the establishment of a *Tyranny* over the Counties of New California and the State of California.

Whensoever any Form of Government becomes destructive of these ends, it is the Right of the People to seek a constitutional remedy to the abuse of powers.

We the people of the Counties of New California solemnly publish and declare these counties are, and of Right ought to be, a free and Independent State, that we

strive to be free from the State of California, and that as a Free and Independent State, have full power to establish and maintain law and order, to promote general prosperity, and to do all other acts and things, which an Independent New California State may rightfully do.

We, therefore, the Representatives of the Counties of New California, appeal to the California Legislature and the Federal Congress to pass resolutions to create the State of New California.

And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes, and our Sacred Honor.

We the Citizens of the State of New California have Petitioned for Redress of Grievances in the most humble terms. Reading a total of ninety five Grievances at County Courthouse locations within the borders of New California State during the course of ninety-six weeks, allowing one respite to honor Christmas Day. Nor have We the Citizens of the State of New California been wanting in attentions to our California brethren but our repeated Petitions have been answered only by repeated injury.

A Governor, whose character is thus marked by every act which may define a Tyrant, is unfit to be the elected Governor of a free people. Likewise, Elected, Appointed and Regional Officials of the State of California whose character is thus marked by every act which may define a Tyrant, are unfit to be the Elected, Appointed and Regional Officials of a free people.

Governors and Officials of the State of California have exhibited Evidence of Tyranny and Treason against the Citizens, Counties, Towns and Cities of the State of California:

The history of the present Governor of California, the past Globalist Governor of California and other Officials of the State of California is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over the State.

From the Gettysburg Address, on whose anniversary we do declare our fate:

We, the citizens of the State of New California, and the sovereign Counties that lie within, united by our United States Constitution declare that this newly formed and sovereign State and “this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth.”

Today California is in a state of free fall at all levels. This free fall has been orchestrated over the last 70 years by socialist and communist and we're now nearing the end of their socialist/communist plan that clearly demonstrates a design to reduce United States Citizens living in California under absolute Despotism. All their plans have been in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

There is one hope and that is a new constitution that the State of New California will provide to those in New California State.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The Insurrection Act of 1807 is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
