State of New California

Declaration of Grievance

Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

ORDER OF THE DAY

NAILS, NOOSES, SCHAKLES & CHAINS

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Communist California state in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

The state of California is moving at "break neck speed" toward the ultimate Communist state. After over 75 years of hard work to destroy all vestiges of the United States Constitution through court decisions, over 580 amendments to the California constitution, massive taxes, strangulating regulations, regionalism, deliberate destruction of the United States premier education and economic systems along with the raping of one of the planets finest environmental zones the stage is now being set for the final nails into California's totalitarian coffin.

The state of California's mono party system is now preparing to wrap the chains around the United States Citizens living in California by proposing yet another totalitarian amendment to the state's constitution.

A recent submission to the California Attorney General's office to replace the "Bicameral Assembly and Senate with a Unicameral Non-Partisan Legislature and increase number of members serving in the Legislature" is now being considered for the 2020 November ballot.

Since the mid 1990s California has been a "mono party" system. Over the years the noose around the states "republican" form of government has been tightened with bogus constitutional amendments that include "redistricting" congressional and state seats and resorting to a political party killing amendment Proposition 14 to only have the two "top" voting getting candidates in the state's primaries to move onto the general elections regardless of party affiliation.

Worse yet since the passage of the 2010 Proposition 14 criminal cartels (the same criminal cartels who are trafficking slaves across California's southern border and who import massive amounts of fentanyl killing thousands of Americans each year) have taken control of California's political machine. If the "Unicameral Non-Partisan Legislature" proposition is passed complete shackling of Americans will occur.

The pattern and timing of these events are by design and will doom the state of California and the Citizens of the United States who live within its border into chains never before seen since the Communist Chinese Maoist take over of China following World War II.

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Pure Totalitarian Communist California state in direct violation of both Article IV, Section 4 and Article VI of the United States Constitution.

The California communist state legislature and the socialist governor is that they legislate new laws that make legally abiding citizens into felons, force oppressive regulations and change the California constitution to encourage lawlessness while pandering to criminal cartels.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.
