Grievance 80

August 6, 2019

New California is a new state in development exercising its Constitutional Right to form from the State of California. The process to form New California is authorized and codified in Article IV Sections 3 & 4 of the United States Constitution.

Statement of Intent

The Citizens of New California have decided to remedy the abuse of power by the government of California by exercising their right to form a new state provided in United States Constitution Article IV Sections 3 and Section 4.

“We are determined to live under a State Government in the United States of America and under the Constitution of the United States.”

New California Declaration of Independence of January 15, 2018 states:

“Whenever any Form of Government becomes destructive it is the Right of the People to alter or to abolish it, and to institute new Government.

When a long train of abuses and acts to seize and hold the people’s power without legal authority and pursuing invariably the same Object that clearly demonstrates a design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future security.

Preamble of the New California State Constitution states:

We, the representatives of the undersigned Counties within the State of California, do acknowledge and humbly invoke the favor of Almighty God for continued civil and religious liberty to ourselves and our posterity....

First Amendment of the United States Constitution states:

"Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances."

The Counties of New California bring forward 95 Grievances to be announced in public on Tuesday at 11:00 am.

Grievance 80

Declaration of Grievance Statement of Facts

The people of California are suffering from a tyrannical state government which fails to provide a republican form of governance, enables and supports across its southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America all caused by a government of and for a mono-party system lead by a tyrannical dictator who openly defies federal law.

California State Government is in Direct Violation of the Following:

2nd Amendment to the United States Constitution

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

United States Constitution Article IV Section 4

"The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence."

United States Constitution Article VI

This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding.

ORDER OF THE DAY

DISARMING AMERICAN CITIZENS IN CALIFORNIA

California's mono-party political machine, its socialist Governor, along with communist state legislators, socialist elected officials, agencies, and unelected regional governance boards, are colluding to create a Communist California state in direct violation of both Article IV, Section 4, Article VI and the 2nd Amendment of the United States Constitution.

Following deadly mass shootings in [Gilroy, Calif.](#), [El Paso, Texas](#), and [Dayton, Ohio](#) over the past two weeks that killed more than 30 California's socialist governor held an emergency meeting with leading school, health and safety officials to formulate an additional round of ever restrictive 2nd Amendment laws. As if on cue a communist state legislature reintroduced a measure that would impose a \$25 tax on the sale of handguns and semi-automatic rifles beginning in January, citing recent "gun terror" in the country. The socialist governor said he'd consider backing the proposal. California has some of the strictest gun laws in the country.

A new California law that went into effect in July requires anyone buying ammunition within the state to submit to a background check before purchase at an additional \$1 fee. Ammunition dealers must run a buyer's ID through the state's Automated Firearms System to see if the individual has been convicted of a felony or has anything else on their record prohibiting the sale.

Yet data does not support the rhetoric of the socialist governor and the communist members of the state legislature. Breitbart reported: *"Despite endless gun violence reports put forward by the establishment media, the dirty little secret is firearm homicides have plummeted over the past 25 years. Yet most Americans, particularly Democrats, believe firearm murders have risen period. Washington Post analysis [shows](#) Democrats, followed closely by independents, are more apt to believe firearm murders have increased. And this feeds the Democrat psyche which is already more prone to support an expansion of gun control laws. But the reality is that the high water mark for firearm murders was 1994 while 2017, the most recent year with complete data on incidents, shows a sharp drop. There were "16,136 [firearm murders] in 1994" but only "10,982" in 2017. An interesting correlation with the drop in firearm murders is the incredible expansion of private firearm ownership. In other words, the number of privately-owned firearms was increasing at the same time that the number of firearm murders was plummeting.*

On December 4, 2013, Breitbart News reported a Congressional Research Service study showing “gun ownership climbed from 192 million firearms in 1994 to 310 million firearms in 2009.” At the same time, the “firearm-related murder and non-negligent homicide” rate was cut in half over a roughly 17-year time period.

California’s trajectory toward totalitarianism is now being revealed. California is in the advanced stages of turning into a Communist state modeled after both the Soviet Union and China the largest Communist nation in the world.

The race is now on to not just save California as a member state in the Union of States known as the United States of America but the race is on to save the United States of America and the 50 states that form the Union of States itself.

New California State movement stands in the breach to save the Union of States known as the United States of America.

Insurrection

The government of California, the current socialist governor and mono-party system along with local officials are following a coordinated design with the intent to actively engage in **acts of insurrection** against the U.S. Constitution.

The **Insurrection Act of 1807** is a United States federal law that governs the ability of the President of the United States to deploy military troops within the United States to put down lawlessness insurrection, and rebellion.

Acts of Secession

Therefore the California government in conjunction with the socialist state executive, instituted wherever the current socialist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which secures our **Liberty and Freedom**.

Abdication of Authority

Betrayal by the sitting socialist governor of California the mono-party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

Prayer

The Citizens of New California State Pray for the President to exercise his authority under the Insurrection Act of 1807 to end the tyranny being foisted upon the United States Citizens living in California State.

This concludes these proceedings.
