# Grievance 34

## Statement of Facts

The people of California are suffering from a tyrannical communist state government which fails to provide a republican form of governance, enables and supports across it's southern border the invasion of the United States of America by illegal foreign nationals and protects vicious criminals who commit outrageous acts of violence upon the Citizens of America. All caused by a government of and for a mono party system lead by a tyrannical dictator.

## Declaration of Grievance

United States Constitution Article VI Section 2 States:

***"This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, any Thing in the Constitution or Laws of any State to the Contrary notwithstanding."***

The communist California government and the current *"pretender"* governor have fostered, supported, legislated, enacted and enforced unconstitutional laws and regulations in direct violation of Article VI Section 2 known as the "Supremacy Clause".

Utilizing an industrialized hyper legislative process to enhance lawlessness with bills and laws that are intended to add to the misery of law-abiding United States Citizens living in Californians.

## **MERCENARY ECONOMICS & UNCONSTITUTIONAL PRIVILEGE:**

The rogue government of California has been engaging in a mercenary form of economics, whereby foreign students are given priority over the natural born and naturalized citizens of this state, in favor of deriving higher profits from foreign students, and while the present bureaucratic educational apparatus, funded by the taxpayers of California actually claims to promote general social welfare. In practice, they are exploiting the taxpayer and seeking the highest bidder to bestow those privileges that should be prioritized for the citizens of this state, and doing so in a mercenary form.

The same form of corrupt economic practice occurs with respect to the natural resources of the State of California. This leaves many of the natural and naturalized citizens of the State of California in a destitute predicament with regards to earning a living and creating a livelihood, while it enriches the bureaucrats of the communist political establishment.

## **SUMMARY WELFARE RECIPIENTS:**

As a result of communist activism, anti-American community organizing, and political ambition, the authoritarian globalist establishment that has seized and maintained power in this state have seen to it that illegal invaders are summarily awarded benefits without the consent of the governed and without the consent of those from whom the financial resources are confiscated to perpetuate this centralized dictatorship. This constitutes theft and betrayal by the despotic government in California.

## **ILLEGAL REPARATIONS:**

The rogue government of California, servile to unpatriotic and un-American special interests, has assumed unto itself the powers to correct injustices that have occurred, yet in the process, have victimized entire classes of people that do not bear any responsibility for these injustices, and at the same time rewards parties that have never been the victims of these injustices.

This is the nature of the Maoist communist cultural revolution that has now replaced the “rule of law” the *republican form of government* in the State of California. The victims of these dangerous communist policies are many and the cost great, both economically, and in terms of the confidence the citizens of this state are willing to place in their government. The citizens of New California demand redress of this grievance.

Utilizing *Marxist-Leninist* and *Maoist revolutionary tactics* the communist California governor, mono party system and local government officials support and celebrate these tactics as a means to introduce and subvert all aspects of California government and civil society in an attempt to destroy the State of California and breakdown the sovereignty of the Union of the United States of America.

### **Acts of Secession**

Therefore the California communist government in conjunction with the communist state executive, instituted wherever the current communist governor has usurped power has created a reign of terror on United States Citizens living in California with the intent to **secede** from the United States of America and thus destroy the very **Union of States** which gives **Us** our **Liberty and Freedom**.

### **Abdication of Authority**

Betrayal by the sitting communist governor of California the mono party legislature and local elected officials is evidence of **abdication** of their **responsibilities** of **authority** and **sovereignty** over the State and Citizens of the United States living in California.

**This concludes these proceedings.**
